This verification is for Dealer's use solely for fulfilling an employment/income loan stipulations required by a lender. It may not be used for any other purpose or re-used by any other person or entity.

Employment & Income Verification improves the customer experience, ensuring the transaction is accurate from the start and eliminating the need to ask for paystubs.

Product Differentiators

Gold Product

- » Used to fulfill Income Stipulations
- » Everything you find on a paystub

Silver Product

- » Data necessary to confirm Credit App (e.g. employer, time on job, rate of pay, etc.)
- » Returned with every application (when available)
- » Lower Cost
